Quick Med Claims Acquires Emergency Medical Management Solutions

PITTSBURGH, PA – Quick Med Claims, LLC (QMC) has announced the acquisition of Emergency Medical Management Solutions (EMMS) based in Ansonia, Connecticut effective May 1, 2017.

Founded in 2006, EMMS has provided billing services for local EMS providers and fire departments in the Lower Naugatuck Valley area of Connecticut as well as across the state. EMMS has developed a strong reputation in supporting EMS providers by maximizing potential revenue through a combination of advanced technology and a thorough knowledge of issues specific to emergency medical services and fire departments across Connecticut.

QMC is a nationally recognized leader in outsourced emergency medical transportation billing and reimbursement with corporate offices in Pittsburgh, PA, a Midwest office based near Kansas City, MO and one in Cromwell, CT. QMC is committed to providing services in a manner that ensures compliance with all applicable billing and reimbursement regulations, while maximizing the capture of allowable reimbursement for each client. The commitment to adherence to both of these principles has made QMC the partner of choice for emergency medical transportation providers. The addition of EMMS proved to be a natural fit for QMC providing a highly compliant organization coupled with top-notch customer service and maximum allowable reimbursement for its client partners.

Michael Lewis, CEO of Quick Med Claims commented on the recent acquisition stating *“Quick Med Claims is excited about another opportunity to serve the EMS community in Connecticut. EMMS has offered great service through the years and our commitment is to continue that service as well as enhance it through technology and access to additional resources.”*

QMC’s experience is deep and broad enough to ensure the highest level of quality in all aspects of the services it provides each of its clients. This has been the hallmark of the Quick Med Claims organization since its inception in 1991.
