## Quick Med Claims Acquires Holdsworth Group EMS Billing Division

**PITTSBURGH, PA** – Quick Med Claims, LLC (“QMC”) has announced the acquisition of The Holdsworth Group’s Emergency Medical Billing Division based in Cromwell, CT.

Holdsworth has provided outsourced billing and collections for a customer base comprised of public and private emergency medical services that provide ground ambulance services in their respective communities. The Holdsworth Group currently has multiple clients in Connecticut and has been providing revenue cycle management services since 1989. QMC is a nationally recognized leader in outsourced emergency medical transportation billing and reimbursement with corporate offices in Pittsburgh, PA and a Midwest office based near Kansas City, MO. QMC is committed to providing services in a manner that ensures compliance with all applicable billing and reimbursement regulations, while maximizing the capture of allowable reimbursement for each client. The commitment to adherence to both of these principles has made QMC the partner of choice for emergency medical transportation providers.

Michael Lewis, CEO of Quick Med Claims commented on the recent acquisition stating *“Quick Med Claims (QMC) is excited about partnering with Bob Holdsworth and the team at the The Holdsworth Group. Bob’s commitment and caring attitude towards his clients over the years is exactly the partner that QMC welcomes. Holdsworth’s reputation toward the EMS industry in Connecticut is unparalleled and we look forward to continuing that commitment.”*

Mr. Holdsworth further stated *“Strategically partnering with QMC was an easy decision. Our corporate values are very much aligned. Michael, the QMC team and QMC’s resources will allow us to enhance the services to our clients, keep our experienced team in place and add value through access to technology.”*

Over the years, QMC’s experience has been deep and broad enough to ensure the highest level of quality in all aspects of the services it provides each of its clients. This has been the hallmark of the Quick Med Claims organization since its inception in 1991.
