

The QMC Experience

Quick Med Claims (QMC) is uniquely positioned to provide billing and reimbursement services to medical transportation providers across the country. QMC brings a wealth of knowledge, experience and expertise to create "The QMC Experience" for its partners. The cornerstone of "The QMC Experience" is a commitment to provide:

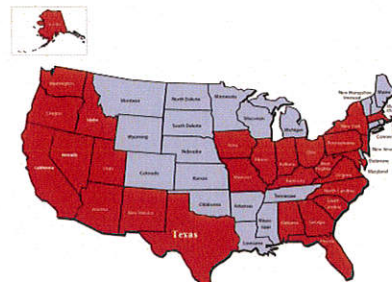

- Compliant Billing Processes
- Maximum Allowable Reimbursement
- Custom Solutions
- Excellent Customer Service

QMC Overview

With a focus on these important elements, QMC is able to provide its Clients with the best experience in the industry. QMC has been privately owned and operated for more than twenty (20) years, developing a long track record of working with Clients of various sizes and scopes. QMC commits the resources necessary to meet the objectives of each individual Client organization. We recognize that the needs of each Client are different.

- QMC provides services for organizations with differing organizational structures, whether a hospital based provider of medical transport or a privately owned supplier of services or some other structure.
- QMC provides services for organizations with a wide range of transport profiles. Among our Clients are those entities that provide emergency response exclusively, ground ambulance services, air medical services, as well as those offering the entire continuum of medical transport services.
- QMC provides services for organizations with high volume operations (more than 50,000 transports per year), as well as those with lower annual transport volumes.
- QMC has experience interacting with third party payors all over the country, including more than fifty (50) different Medicare carriers and intermediaries.
- QMC processes more than 500,000 claims per year, with an emphasis on payor specific processes, electronic submission and active follow up.

QMC has processed claims in more than twenty five states around the country. The graphic above highlights the specific states where QMC has experience in red.

Professional Services

Quick Med Claims (QMC) provides a variety of professional services in support of emergency medical transportation organizations. These services are customized and designed to facilitate operational and financial performance improvement.

QMC leadership has years of operational and financial management experience. This experience and expertise is a valuable resource to QMC client organizations. Some of the more common projects include:

- ePCR Implementation
- Equipment Financing Studies
- Operational Cost Analysis
- Request for Proposal (RFP) Development
- Software and System Integration

It is our commitment to our Clients and the personal touch that sets QMC apart from other billing agents.
